

This is your pool/park and it needs your help!

VOLUNTEERS MAKE a DIFFERENCE- become part of your HOA team!

PLEASE MARK BOX on YOUR ENCLOSED PROXY to help support your association.

We have 4 Board Members who are retiring in September. We particularly need a TREASURER: someone who is computer & financially literate, communicates & works well with others. Also works closely with our Bookkeeper.

In February we emailed over 2 dozen homeowners asking if anyone could spare 1 or 2 hours to help us do some painting or repairs around the pool. When we received no replies it was Sharon & Mac McCollum and Board Members Bob, Jack, Dennis & Perry who again made time. Here are just some of the jobs they did that saved our association hundreds of dollars.

Sharon McCollum -

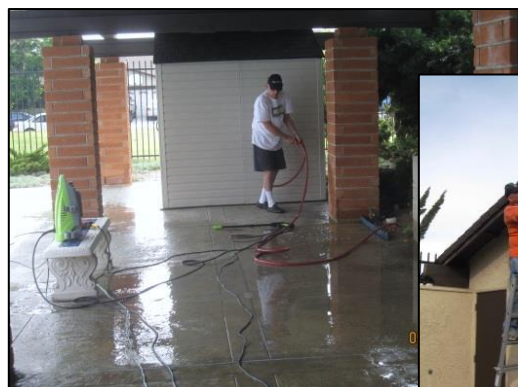

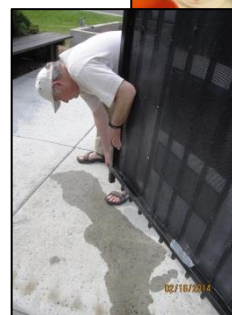

Coordinated work parties: painted wood park & pool fence, 5 sections of metal fence, benches, and helped power wash deck, etc.

Jack Rosalia- Painted wood park & pool fence, repaired rust hole on gate, removed the locks/knobs on bathroom doors so Sharon could take to locksmith for repairs, etc.

Mac McCollum- Sanded rust on gate, repaired supply cabinet & misc. support.

Bob Parker- Painted all dry wood on cabana & roofs, bathroom doors & wood fence in pool area. Fixed girls' bathroom door & power washed floors in bathrooms and pool deck, etc.

Dennis Wahl- Painted wood fence inside pool area. Also doing labor in the 3rd planter box, etc.
