

Request for Early Swim Access to MVHOA3 Pool
6:00 am – 9:30 am

We realize that some of our homeowners prefer to swim in the mornings when they have time. We allow Early Swim Access with a few conditions. Our Pool Cleaner needs to clean the pool when there are no swimmers in the pool, so, if he comes to clean the pool while you are there, you need to follow his directions. If he asks you to stay out of the pool while he is cleaning, you must do as he requests. He may not mind if you are in the pool area, but that is his decision.
